From the President:

I would like to thank Will Loach with Chromalox for being our guest speaker at the January Technical Meeting on the topic; Greasy Waste Flow Maintenance.

Please welcome our newest member to the Cleveland Chapter; Leroy Peoples.

The February Technical Session will be on the topic; Ohio Plumbing Code, presented by Lance Begoon – Ohio Department of Commerce Plan Review.

The February 12, 2020 Lunch Meeting will be held at Harry's Steakhouse located at 5664 Old Brecksville Road, Independence, Ohio 44131.

10:30 – 11:00 Vendor set-up their tabletop displays
11:00 – 12:00 Mini Tabletop Vendor Product Show
11:30 – 11:45 Chapter Board Meeting
11:45 – 12:00 Sign-In / Meet and Greet
12:00 – 12:30 Lunch (Seminar to begin during lunch)
12:00 – 1:00 Presentation by Lance
1:00 – 2:00 Mini Tabletop Vendor Product Show and display tear down

Please RSVP by February 7, 2020 with Kevin Noble at knoble@sbmce.com. Lunch price is \$20. The price reduction for this season has been made possible because of the continued contributions by our local affiliates. Please support your local chapter by coming to these meetings.

Let us know if there are any specific topics or field trips you would like to see our chapter sponsor. We are always looking for new ideas.

Remember, without membership and participation, there is no local chapter.

FISHBECK

The civil, environmental, architectural, engineering and construction management consulting firm formally known as Fishbeck, Thompson, Carr & Huber, Inc., aka FTC&H, and FTCH has a new name. After more than 60 years, the firm has made a name change to FISHBECK.

Why would I write about such a change? Because Fishbeck has been a big supporter of ASPE for many years. Currently, two of their engineers are, or have been very active with our Region and at Society.

Paula & Brianne aboard the Empress River Boat (photo D. Holmes)

Paula Leatherman, CPD is a past President (numerous times over) of the Western Michigan Chapter as well as holding the position of VP Technical. She has attended many annual Chapter President's meetings, Convention & Expo's, and Technical Symposiums. She has been a Convention delegate representing the W MI chapter for many years. She also is involved in plumbing related legislative changes proposed by or enacted in Michigan and making sure her chapter members are educated on all these changes.

Brianne Hall, P.E., CPD, GGP is the ASPE Board of Directors - Vice President, Legislative. She has served as the President of the Eastern Michigan Chapter of ASPE (2016-2018), VP Technical and AYP Liaison (2014-2016), and Education Chair since 2018. She has been a member of the National Technical and Research Committee since 2014.

Brianne is also the President & Administrative Secretary of the ASSE International Michigan Chapter. She has been on the Code Committee since 2016, the Seal Control Board since 2017, and the Professional Qualification Standards since 2019. Brianne is also involved with the CSA Group B64 Technical Committee, Code Study and Development Group of Southeastern Michigan and the ASHRAE Detroit Chapter.

Brianne has been awarded the Patrick J. Higgins Award (2018) for outstanding contributions to the field of codes and standards, an ASPE Special Award of Appreciation (2018) and the John E. Matthews Engineer of the Year Award (2015).

What is in a name? When it comes to engineering firms like FISHBECK, it is their people and their commitment to ASPE and the discipline of plumbing engineering. Thank you, Paula, and Brianne, and thank you FISHBECK. Continued success to everyone.

ASPE BASIC PLUMBING DESIGN

The Buffalo-Niagara Chapter is hosting a two-day Basic Plumbing Design class April 30 – May 1, 2020. The training will take place at the Tewksbury Lodge, 249 Ohio St., Buffalo, NY 14204. The cost is \$400 for ASPE members; \$600 for non-members. For more information contact Gwynne Morrison, CPD, GPD at gmorrison@watts-ae.com or Joe Marohn at jmarohn@emersonswan.com.

For non-members considering this course, by joining ASPE first, your dollars will go much further and you will begin to receive ASPE Design Handbooks. Hands-down, it is a far better use of your money and access to educational material.
