Region 2 Affiliate Report

The Times They Are A-Changin'

Many things have happened since my September ASPE article. Let's get to them...

Region 2 Director

The first-ever ASPE Virtual Business meeting took place via Zoom on Saturday, September 12, 2020. Elections and By-Laws were two of the main items on the agenda. Both will have lasting effects on our region. We expect the results will be good.

Keith Bush, CPD, CSI, GPD has stepped down as our Region 2 Director after serving with honor and distinction since 2014. Prior to R2D... (don't say it!), Keith served multiple roles for the ASPE Cleveland Chapter including President, VP Tech, and VP Legislative. Keith has been active on many ASPE committees too. I hope to interview Keith for a future, in-depth article.

Steve Kormanik, CPD, GPD was elected our new Region 2 Director via a first-time, online, electronic voting process due to CoVID-19 and the cancellation of the planned face-to-face meeting in New Orleans. Steve brings a wealth of ASPE knowledge with him. This year would be his 20th President's meeting and 11th consecutive ASPE convention as a delegate for the Johnstown Chapter. He has 35 years' experience in the plumbing industry, and I believe he has held just about every board position possible in the Johnstown Chapter. I hope to interview Steve for a future, in-depth article too.

I first became Region 2 Affiliate Liaison under the leadership of **Chris Graham, CPD**. This is an appointed position within ASPE and the individual serves at the pleasure of the current Region Director. I was honored when Keith Bush asked me to be his R2AL and remain in the position throughout his term. I was humbled when Steve Kormanik reached out to me and asked if I would consider the position once again under his leadership. I accepted with

gratefulness. I hope the rest of our ASPE members in Region 2 are not disappointed with me staying on.

Region 2 is well represented on the Board of Directors once again and we are proud to have **Brianne Hall, P.E., CPD, GGP, LEED AP BD+C** as our Vice President, Legislative.

PM Engineer Magazine – 'Engineer of the Year'

Congratulations to **Theresa Card, PE, CPD, GPD, LEED AP** from the Eastern Michigan Chapter. She is the past President, current VP Technical, AYP Region 2 Liaison, and WOA Region 2 Committee member. You can read the full interview with her on the www.pmengineer.com website or find it in your email inbox. This is another in-depth article I would like to write, as time permits. Maybe I should consider a "special edition"?

I would be remiss if I didn't include **Gwynne Morrison, CPD, GPD, LEED AP** from the Buffalo-Niagara Chapter in this article too. She ran an honorable campaign against Steve for the Region 2 Directors' position and continues to be a very active member in the WOA and on other ASPE committee. Thank you, Gwynne. Again, I need to interview her. Whew, plenty for me to do.

2020 ASPE Membership and Chapter Awards

Congratulations go out to **Gregory Farmer, P.E.** from the Evansville Satellite Chapter for the Award of Merit.

Region 2 Chapter Award of Merit go to the **Central Ohio Chapter; Cleveland Chapter; Eastern Michigan Chapter**, and the **Southwestern Ohio Chapter**.

The Chapter Membership Retention Award and the Chapter Humanitarian Award goes out to the **Johnstown Chapter**.

David Dexter, P.E., FNSPE, FASPE, CPD, LEED AP BD+C was presented the George W. Runkle Award of Merit "For dedication and inspired service to the advancement of the ideals and goals of the Society"

Last, but certainly not least, we must congratulate
