From the President:

Thanks to everyone who attended the election meeting in May. Everyone who attended was treated to a great steak dinner. I would first like to thank both **Chris Yarima** and **Mike Kelly** of **Millipore** for being our guest speakers at last month's meeting. They both gave a great presentation on the basics of Water Purification and answered some good questions from the group.

I would also like to thank **Nitin Chauhan** of **Culligan**, **Tim Fogler** of **Mueller Industries** and **Greg Trombold** of **Trombold Equipment** for presenting

tabletops at last month's meeting and for helping to support their local Chapter as well as ASPE.

Our annual election for Chapter Officers was held at last month's meeting. I would first like to extend a special thank you to the 2008-2009 Officers for all their hard work throughout this past year. We have a new Chapter Officer. I would like to welcome **Tim Hollo**. Tim is our new Administrative Secretary. Congratulations Tim and thank you for stepping up and helping out the Chapter. Also **Mitch Clemente** has stepped down from the board and has taken a position as Region 2 Director for the Society. I would like to thank Mitch for all his efforts through the years. He has been involved with the Cleveland Chapter for as long as I have known him and has contributed so much to the Chapter. I would also like to thank **John Griffin** for continuing to hold the position of Affiliate Liaison!

Your 2009-2010 Chapter Officers are:

Michael Drab	President/Newsletter Editor
John Varga	Vice President Technical
Dan Evans	Vice President Legislative
Greg Trombold	Vice President Membership
Kevin Noble	Treasurer
Tim Hollo	Administrative Secretary
Craig McDowell	Corresponding Secretary

We also have a couple ASPE members who have agreed to help out with the Chapter. **Tom Campbell** of Campbell Equipment Company has joined our Affiliate Liaison committee, and **Kristopher Haycook** of Westlake Reed Leskosky has joined our Membership Committee.

This year's upcoming **Technical Symposium** is scheduled for October 23-25 and will be located in Dearborn, Michigan. ASPE has joined with the Plumbing Contractors of America (PCA) for this great event. Registration forms and housing forms are now available on the ASPE website for those of you who are interested and are planning on attending. This emphasis for this year's Symposium will be Green Buildings and Sustainability.

The next **ASPE webinar** is planned for June 3rd at 2:00PM. An introduction to the different types of Graywater systems will be discussed. The cost for the Webinar is \$69.95 for ASPE members and \$129.95 for non-members. Visit the ASPE website at

From V.P. Technical:

I would like to thank Chris Yarima and Mike Kelly, with Millipore Corporation for being our guest speakers at the May 13, 2009 training session. The topic of the seminar was The Basics of Water Purification. The presentation outlined the contaminants in potable water, the three level types of laboratory water, various purification technologies, major phases in a project, defining the pure water requirements and specifications, designing the distribution loop, designing the makeup system and storage tank, and emphasized the importance of loop purification and monitoring.

If you have any topics of interest that you would like to see next year or know of someone who may be a great speaker for a seminar, please feel free to e-mail me your comments and/or suggestions to jvarga@sbmce.com.

Have a great summer!

John A. Varga

Employment Notices

The Cleveland Chapter of ASPE is now accepting paid advertisements from employers seeking to fill plumbing / mechanical engineering positions within their firms. If you are looking to add to your staff, this is a great way to directly reach individuals within our profession. We will also accepting paid advertisements from individuals who are looking for a position in an engineering firm.

All advertisements shall be no larger one quarter of a page and will cost \$10 per month. The advertisement must be submitted no later than one week after the monthly ASPE meeting to Mike Drab to appear in the next monthly newsletter.

If you have any questions, please feel free to give Mike a call at 330-659-6688 or E-mail him at mdrab@thorsonbaker.com

Lake County Captains Baseball Game

*(Class 'A' Affiliate of the
Cleveland Indians)*

When: Saturday, July 18th
7:05 PM

Where: Eastlake Ballpark
35300 Vine Street
at State Route 91

Against: Greenville Drive (Boston Red Sox)

Who's Invited: Family, friends and relatives

Cost: \$9 per person and that includes a box seat and fireworks.

Deadline: Send your request for tickets via email no later than June 12th to mclem@wrldesign.com

Payment: Make checks payable to ASPE. Send your check to:
Mitch Clemente
640 Crystalbrooke Drive
Hinckley, OH 44233
(payment is due no later than June 12th)

Tickets: Tickets will be available at the "Will Call" window. You will need to show a valid I.D. with the same name as the one listed below to pick up the tickets.

Name: _____

Company: _____

Phone: _____

Number of Tickets Requesting: _____

ASPE Cleveland Chapter
2009 Golf Outing Sign up Form

ASSE Northern Ohio Chapter
Location: Fowlers Mill golf course Date: 8-6-09

ASPE/ASSE Golf Outing

This years golf outing will be held at Fowlers Mill Golf Club, which is located at 13095 Rockhaven Road, Chesterland Ohio.

The cost per golfer is \$115.00. Dinner only will be \$40.00. The cost per golfer after deadline will be \$125.00 each

Sign up on the enclosed form and return no later 7-10-09

Hole sponsorship is \$130.00 per hole. We will also have event and lunch sponsors if you are interested contact me.

Mark **August 6th** on your calendar now. Arrive at the course by 10:30 am Shot Gun Start at 12:00 noon

Contact person: 216-663-8700 Greg Trombold

Highlights

- ◆ 50/50 raffle
 - ◆ Lunch and dinner provided
 - ◆ Over \$1,000.00 in door prizes
- On course beverages

A New Generation of EcoVantage™ Ultra-Low Consumption Urinals.

Zurn offers the most complete family of ultra-low water consumption urinals on the market today. Whether installed new or retrofitted in place of a standard urinal, one low water consumption Zurn EcoVantage™ Pint Urinal can save up to 30,000 gallons of water and about \$200 in operating costs per year. Make the world a little greener and save your company some green, too. Call today 1-800-997-3876 or visit www.standupfortheearth.org

The Pint® Available in sensor battery or hardwired options, exposed and concealed versions.
Use for new construction or retrofit applications.

From the President (Continued):

www.aspe.org for topic and registration information as well as future webinar topics as they develop.

Congratulations to **Josh Sashko** of Westlake Reed Leskosky! He was the winner of our membership contest and lucky winner of a new Garmin GPS unit given away at the meeting.

We have two great events planned for the summer! **The Lake County Captains Baseball Game** (Class 'A' Affiliate of the Cleveland Indians) is scheduled for Saturday, July 18th. Family, friend and relatives are invited. The deadline for registration is June 12th. See flyer elsewhere in this Newsletter for additional information. We have padded stadium seats and a pair of binoculars which we will be giving away at the game to two lucky attendees!

The second event is our annual joint **ASPE/ASSE Golf Outing** scheduled for Thursday August 6th. The deadline for registration is July 10th. Sponsorship opportunities are available now! Please contact Greg Trombold at 216-663-8700. A Registration form is included in the Newsletter. Hope to see you there!

Have a Safe and Happy Summer!

Plumbing Engineer Position

Hixson is a 115-person nationally known architecture, engineering and interior design firm specializing in projects for industrial processing facilities, retail department stores and corporate office environments.

We have an immediate opening for a **Plumbing Engineer** at our Cincinnati headquarters. The Plumbing Engineer participates on design teams with other engineers and architects in the design and preparation of drawings and specifications for the following systems: potable hot and cold water, non-potable hot and cold water, sanitary waste and vent, process waste and vent, storm water, water treatment, compressed air, nitrogen and specialty gas, sanitizing and natural gas.

Qualifications

- BS ME, BSMET, CIPE, CPD or related degree and certification
- PE a plus.

Why Join Us?

Hixson offers a competitive salary and benefits programs (including profit-sharing, bonus, 401k with company match, health, life and disability insurance, tuition reimbursement and ownership potential) — all in a team-oriented work environment with challenging work assignments and the opportunity for personal and professional growth.

Relocation assistance is available.

To learn more about working at Hixson, visit www.hixson-inc.com.

Send your resume to:

CENTER (EMC) THAT PLAYS
IT SMART AND SAFE.**

When you actually see it perform live, you'll change the way you think about central hot-water distribution systems. Designed specifically to provide $\pm 2^{\circ}\text{F}$ recirculation system control during zero-demand idling periods, our EMC also delivers remarkable performance across the full diversity of hot water use. And it has no minimum system draw-off requirement. With remote programming and control features, and building automation system interface capability built into the mixing unit, the EMC offers an unparalleled portfolio of valuable benefits. We don't just say it; we'll prove it to you online. Log on to www.armstrong-intl.com/aspe today and sign up for a live guided tour.
