

SWIPE RIGHT ON CONNECTION

NETWORKING IN A NEW ERA

Join others in the construction industry from across Northeast Ohio for an exclusive networking and educational social designed to jumpstart your business and career. Enjoy a relaxed evening with dinner, drinks, and valuable connections with fellow industry professionals. After networking, stay for an engaging presentation by Lindsay Andrews, CPSM, Sr. Business Development Manager at Gilbane Building Company.

In this session, Lindsay will share how AEC professionals can update their networking strategies to meet today's client expectations. With new leaders and a focus on collaboration, this session offers practical tools—through a fresh, dating app-inspired lens—to build trust and create meaningful connections that drive results.
